

Parking Message from the City of Richmond Hill

On behalf of the City of Richmond Hill's Community Standards Division, we would like to welcome everyone to a new school year. We would also like to take this opportunity to remind you to follow all on-street parking restrictions within school zones when dropping off and picking up from school.

Please be advised that Parking Enforcement Officers will be monitoring school zones regularly throughout the year to ensure all parking restrictions are adhered to, including those related to No Parking and No Stopping zones. Tickets will be issued to violators. These measures are necessary to ensure the safety of children and other users of the road.

Where possible, we encourage you to carpool to help eliminate traffic congestion around schools.

Parking Concerns?

Please report any parking concerns to Parking Enforcement at parking@richmondhill.ca or by calling 905-771-8860.

Public safety is very important to us and we want to ensure that all students are kept safe during the school year. Thank you for your cooperation.

Have a safe and healthy school year!
