Richmond Hill Town and Ward Demographic Profiles 2006

What is the Census?

Every five years, Statistics Canada conducts a Census providing a detailed account of the Canadian population. The Census is intended to provide **snapshot of the demographic, social and economic conditions at a precise moment in time.**

Why is it important?

The Census is a very important tool as it allows for a detailed analysis of the population and can be used to **discover emerging trends within Richmond Hill.** It helps us understand how we have changed over the years.

What will this profile tell me about my community?

The **2006 Demographic Profile for Richmond Hill** provides information on population and age characteristics, population density, dwelling types, ethnic origin, mother tongue, immigration trends, education, employment rates, occupation types and income distribution.

Is there information available on my ward?

Detailed **2006 Ward Profiles** for each of Richmond Hill's Wards are also available, to help you better understand your community. Information based on the 2001 Census is also available. You may view all of these online at www.richmondhill.ca

Ward level data has been adapted by the Town of Richmond Hill from a Custom Tabulation prepared by Statistics Canada.

This information was used with the permission of Statistics Canada and users are **not** permitted to copy this material and/or re-disseminate the data presented, in an original or modified form, for commercial purposes, without the expressed permission of Statistics Canada. Information on data from Statistics Canada can be obtained from Statistics Canada's Regional Offices, its website, www.statcan.ca, and/or via its toll-free number at 1-800-263-1136.

Please note that numbers may also not add up 100% due to rounding.
